

Detailed Description

The “Recreational Tote” is an all in one unit; that contains, a cooler, tackle, bait, & lock box. It provides a cooler for beverages, foods & bait, also a place for your catch. It has the convenience of a tackle box built in, a locking compartment to store important papers, like driver & fishing license, your car keys, or jewelry. Instead of lugging several separate containers with you, you have the built in convenience of several containers in one unit, which makes for better manageability & convenience. It has a variety of compartments that will adapt to varied needs. It is ruggedly constructed, easy to maintain & clean, its portability makes it a good choice for the beach, shore, boat, picnic, or any kind of outing, Also any cooler from the smallest to the largest can easily be converted to an all-in-one “Recreational Tote” with a kit I have devised, which will fit the inside or outside of the cooler of your choice.

Descriptive title of invention

Recreational Tote

Cross reference to Related Applications

Recreational Tote has been issued Provisional Application, dated 07/07/2003, number 60/484,914 to Paul L. Moree. This recreational Tote is perfect for the beach, shore, boat, picnic, or any kind of outing. It is a combination cooler, bait, tackle, & lock box, in an all in one unit. There is no need to carry a separate cooler for beverages, or a separate container for bait, or your catch; or a separate tackle box, you no longer leave your valuables, fishing & driver licenses at home or locked in the trunk of your vehicle, because it has a locking device to keep every thing safe & with you. It is lightweight & attractive, a useable product that is easily taken with you on any kind of outing. A kit I have also devised can easily convert any size cooler from the smallest to the largest into a "Recreational Tote"
